- (3) Memorandum of Understanding between Westinghouse Hanford Company and
Bechtel Hanford, Inc., dated July 9, 1996

Dear Ms. Curtis:

Bechtel Hanford, Inc. (BHI) has received clarification from DOE-RL regarding the division of responsibilities associated with the 105-KE and 105-KW reactor facilities (Reference 1). Pursuant to the Memorandum of Understanding (MOU), Section VI, Paragraph A. (Reference 3) and the Transfer Agreement (Reference 2), BHI is hereby providing notification to Fluor Daniel Hanford, Inc. (FDH) of this clarification. BI-11 intends to distribute this clarification as an addendum to Attachment 1 of the MOU within the ERC. In order for the MOU to remain consistent, BHI recommends FDH distribute this addendum to those under FDH's purview.

Dear Mr. Little:

CONTRACT DE-AC06-93RL12367 - DIVISION OF RESPONSIBILITIES AT 105-KE AND 105-KW
This letter is to provide you with direction regarding the division of responsibilities for the 105-KE and 105-KW facilities. Attachments 1 and 2 to this letter are maps of the facilities which designate the respective portions of the facilities that are to be addressed by the Environmental Restoration Program (EM-40) and the Spent Fuels Program (EM-65).

Modification 30 to the Bechtel Hanford, Inc. (BHI) contract specified that the 105-KE and 105-KW facilities would be addressed by BHI within the Decontamination and Decommissioning Project Surveillance and Maintenance scope, except for the Fuel Storage Basin and Transfer Bay Area. By this letter, BHI is directed that the specific portions of the 105-KE and 105-KW facilities to be addressed by BHI shall be those areas designated on the attached maps as EM-40. The areas on the maps designated as EM-65 shall be addressed by the Spent Fuels Program.

If you have any questions please contact me on 376-0893.

Sincerely,

r0
